

Remarks

Upon entry of the amendments sought herewith, claims 10-18 are pending. Claims 11-18 track verbatim the allowed dependent claims in the parent application. Claim 10 is new but submitted to find specification support throughout the application as originally filed, e.g., Example 13, albeit not in *haec verba*. No new matter is believed to be introduced.

12/15/03

Respectfully submitted,

Edward O. Kreusser
